From the Supervisor

This past summer has been a busy one for Imlay Township. The Park and Splash Pad continue to get a lot of use. The Pickle Ball courts are very popular, seeing a lot of players on a regular basis. There is a new Facebook page for pickle ball players; it is Imlay Township Pickleball. It is for anyone to post information about times or groups that want to play.

The bridge over the Belle River on Bowman Road has received funding for replacement in the 2024 construction season. This will help traffic flow in the area.

After consideration, the Imlay Township Board has decided to discontinue the Recycling Dumpster at the Township Hall, effective immediately. Increased cost for the program, nonresident use of the dumpster and nonrecyclable items being put into the dumpster have all contributed to this decision. Thank you for your understanding.

If you have questions, concerns, or comments regarding the Township, you can address the Board at the monthly meeting. The Board meets on the third Wednesday of every month.

From the Clerk

The Township is the home to the beautiful Imlay Township Cemetery, located directly across Fairgrounds Road from the Administration Building. Burials in the cemetery date back to the 1850's. The Clerk's office is working on a database of the burials in the cemetery. Unfortunately, many of the earliest burials are not recorded. A reading of the Cemetery done in the 1990's is being used to fill in some of the missing information. The database can be found on the Imlay Township Website.
